

Inspire the Next Generation of Leaders: *Volunteer for this Spring's CSI JA Day* **May 8, 2014 in Ontario.**

Since 2008, CSI volunteers have delivered middle-school programs to more than 2,500 Canadian students. This spring, Fellow of CSI (FCSI) volunteers will have the chance to deliver powerful Junior Achievement (JA) programs to Grade 7 and 8 students across Canada through our **CSI Spring JA Days**.

FCSI® Leadership in Action

Volunteering is a rewarding and fun way for those in the business community to share their experiences with local students. FCSIs can volunteer for 1 of 2 in-class programs:

1. **Dollars with Sense (Grade 7):** helps young students understand the importance of planning for their financial futures: Topics include:
 - How to be a smart consumer
 - Differences among saving, spending and investing
 - The pros and cons of credit
 - Budgeting
 - Financial goal setting
2. **Economics for Success (Grade 8):** emphasizes the positive correlation between staying in school and achieving dreams. Topics include:
 - The World of Work
 - Budgeting
 - Employability Skills
 - Interviews
 - Goal Setting
 - Career Options and Planning

What is Junior Achievement?

Junior Achievement (JA) is the world's largest and fastest-growing non-profit education organization, now reaching 9.7 million students in 124 countries each year. For more than 40 years, Junior Achievement of Central Ontario (JACO) has provided a competitive advantage to the young people of our communities by offering in-school and after-school programs taught by trained volunteers. Through interactive and engaging programs focused on financial literacy, entrepreneurship and work readiness, students are inspired and prepared to participate in the global economy.
